

WELCOME TO WESTCHESTER POWER!

The Basics

- Westchester Power is a municipal power purchasing program administered by Sustainable Westchester.
- Founded in 2016, Westchester Power is New York's first CCA (Community Choice Aggregation).
- Our large group purchasing power enables us to bring you competitive rates, with the security of knowing that this is a municipal program, vetted by your legislators, not a private solicitation.
- Our mission: to increase local renewable energy. We plan to reach the NYS REV goal of 50% renewable energy by 2030 ahead of schedule.
